### **WASTE COLLECTION AND DISPOSAL APPROVAL**

The Directorate of Environment conducted an inspection on vehicle registration No .....

Pursuant to Kajiado County Protection Act 2020 Article 21

- 1) The Directorate may, by notice, require any person or category of persons who transports waste for gain to— (a) register with the Director appointed under section 6 of this Act, (b) furnish such information as is specified in that notice or as the environment officer may reasonably require, and (c) provide logs or registers, on demand, showing transportation to the designated landfill.
- 2) Must take all reasonable steps to prevent any spillage of waste or littering from a vehicle used to transport waste.
- 3) A person transporting the waste shall, before offloading the waste from the vehicle, ensure that the facility or place to which the waste is transported, is authorized to accept such waste or at a designated waste disposal site.
- 4) Where hazardous waste is transported for purposes other than disposal, the person transporting the waste shall, before offloading the waste from the vehicle, ensure that the facility or place to which the waste is transported, is authorized to accept such waste and must obtain written confirmation that the waste has been accepted.

Upon meeting the condition outline in Kajiado County Protection Act 2020 read together with The Sustainable Waste Management Act Chapter 387C, the above vehicle was approved to collect and transport waste within Kitengela Municipality.
